## IT IS UNLAWFUL TO ENFORCE FACE MASKS

### ***PRIVACY ACT 1988 - Section 16B***

Under the Australian biosecurity Act it is **UNLAWFUL** to enforce face masks on anyone unless you are a Biosecurity Officer and have presented a personally addressed letter explaining the conditions of the forced medical procedure on the person in consideration. It is also **UNLAWFUL** to ask someone to reveal their private medical history (such as, what exemption they may have).

## IT IS UNLAWFUL TO ENFORCE CHECKING IN

### ***Australian Privacy Act 1988 Section 94H***

Under the Australian Privacy Act 1988 Section 94H it is **UNLAWFUL** to enforce checking in using the Covid Safe app. No one can require you to sign into a business opened to the public with the Covid Safe app. It is unlawful to be refused entry to a business opened to the public due to not having Covid Safe installed on your device.
